

Club Events For 2010

- 1- April 24 Saturday at 10:00am
Cleaning day for the fields, we will start at Gilmore and then move to River Oaks, just come and help us set the fields for this new season, after we finish working we can fly
- 2- May 1 Saturday ---
Kalamazoo Air zoo invited our club for a R/C open house, the museum will supply the tables and we will supply the info and planes for the visitors that day, bring your best planes and helis, there is a good chance that we could fly some small electrics at the museum.
- 3- May 22 our open season Fly In
Our first get together, bring a plane and come ready to have fun, this will be at River Oaks at 10:00 am
- 4- June 19 -- The School program ---
This is the 3th year we run this Fly in day for the school program that Fred Marion and David Groll run, and as you all know always a great day for us and the kids, this will be at River Oaks at 12:00 am
- 5- June 25 – Kalamazoo Valley Antique Tractor Show ---
This is a open invitation to our club to be part for this event at Gilmore Car museum , This event bring a lot of people and we will do the R/C airplanes exhibition for them , we are looking for great pilots for that day , more info on this coming soon .
- 6- July 17 Thunderbirds Warbirds Over Gilmores 3 ---
This is the 3th time we do this and always bring a lot of pilots, with great Warbirds flying over the field, open for all other Clubs around us. We will start at 12:00 am Gilmore Car Museum
- 7- July 31 Saturday 12:00 am fly In at Gilmore
Just to keep the summer running hot we will fly all day at Gilmore, open for all pilots from other R/C clubs.
- 8- August 21- Saturday Electric Fly In River Oaks –
Bring a friend and a electric plane or heli, open for other clubs that want to fly only electrics , a charge of \$ 5.00 will apply for visitors ..
- 9- Sept 18 – Saturday ---- Closing season
We will clean and pick any item that needs to be put away for the winter , if weather is good we can also fly
